

¿ME?

A surreal night scene featuring a large, glowing full moon partially obscured by the branches of a tree. In the foreground, a wooden bench sits on a dark surface. To the left of the bench, a small table holds two oranges and a long, glowing object that resembles a cigarette or a small fire. A skateboard lies on the ground in front of the bench. To the right, a bicycle is parked. A bright, circular light source, possibly a street lamp, is visible on the left side of the frame, casting a strong glow. The overall atmosphere is mysterious and dreamlike.

**TURN OFF  
THE DAMN LIGHTS!**

A photograph of a city skyline at sunset or sunrise. The sky is filled with dramatic, streaky clouds in shades of purple, pink, and orange. The sun is low on the horizon, creating a bright glow. In the foreground, the dark silhouettes of buildings and a street are visible. A large building is on the left, and a street with some lights and a car is in the lower part of the image.

The background is a complex, abstract composition of organic, flowing shapes. The color palette is dominated by bright cyan, magenta, and yellow, with some darker blue and orange tones. The shapes are irregular and interconnected, creating a sense of movement and depth. The overall effect is reminiscent of a microscopic view of a biological specimen or a stylized, colorful map of a geographical region.
